GROUP LEADERS IN Y. M. C. A. WORK HOLD BANQUET

**Rex Kelley, Local Secretary,
Is Paid High Tribute for
Accomplishments Here**

Group leaders of the Y. M. C. A. were the guests of the board of directors last night at a banquet in the basement of the First Methodist church at which the spirit of cordiality and good fellowship was quite marked.

H. O. Hill of Los Angeles, state secretary of the Y. M. C. A., was present and outlined the important place in the community of the Y. groups.

"There is no kind of work that is more important or presents larger results than this phase of the work of the Young Men's Christian Association," he declared. "I think you are setting a pace here in getting hold of the younger boys, the grammar school boys. The influence of a man upon a boy's life can scarcely be told."

David Black of 1450 Kenneth road, chairman of the local board of directors, acted as toastmaster. High tribute to Rex Kelley, local secretary, was paid by C. W. Ingledue of 501 East Wilson avenue, also a member of the board, who remarked: "I don't know of a man in this community who deserves the credit and prestige that he does. It seems kind of silly for me to try to tell you fellows just how much you are worth to this community. I never long so much for the silver tongue of the orator so much as on occasions like this."

Gets Praise for Work
W. G. Boyd of 326 North Jackson street, president of the leaders' group, also spoke highly of Mr. Kelley by saying:

"I am sure that every leader here appreciates Mr. Kelley and we all want to stand back of him. I am sure that, if the group leaders all enjoy being with their boys as much as I do, they are getting as much out of the association as the boys."

Howard Butterfield of 218 Millford street, group leader at Glendale Union high school, commented on Page 2).

THEY WERE TH' HAPPY DAYS, EH?

**Call for Police Is Answered
by 'Sonny' Booth and
Then—Read On!**

George Booth, special motorcycle officer, was sent post haste to the H. T. Maddox home at 820 Kenneth road Sunday night to investigate a robbery.

He is the youngest officer on the force and most of the other boys call him "Sonny." Otherwise the following incident wouldn't have happened.

Mr. and Mrs. Maddox were answering his questions about the damage when the officer casually said:

"Did you live in Denver about twenty years ago?"

"Yes," said Mr. Maddox, "but why do you ask that?"

"Well, do you remember Booth's little boy who used to stay at Grandma Baker's and come over to your place to play?"

"Yes, yes, go on," said Mr. Baker.

"Well, I am going now, but I wanted to tell you that I am that boy."

100 Years Go By, Century Plant To Bloom Here Soon

GLENDALE horticulturists and botanists are making a trail to 328 East Chestnut street to observe a century plant which is about to bloom.

The phenomenon is being watched with a great deal of interest by Mr. and Mrs. Ray Falick, who occupy the premises.

Within the last two weeks the stem upon which the flowers will appear has grown precisely 7 1/4 feet.

This stem is surrounded to a height of about two feet with a cluster of sharply-pointed, spiny-margined leaves which resemble in appearance a certain form of cactus.

Meow! Cat Tale Each Day, Slogan Of News Hounds

MEOW! It was a spasmotic alarm yesterday that awakened "the Hall boys" of 1416 South San Fernando road, who operate the Glendale Motor Service.

H. F. Hall jumped from his bed and wielded a wicked monkey wrench in the general direction of the garage cat.

"Don't do that," cried his brother, J. N., who peeked from under the covers, for he had seen things.

The cat had kittens! And anyone who wants a little "cat-in" in their home should call in about nine days.

C. OF C. MATTERS ARE DISCUSSED

**Directors at Luncheon and
Talk Over Plans for the
Organization Work**

Much routine business was scheduled to come before the Glendale Chamber of Commerce directors at their luncheon this noon, including statements of committee members about the Power Implement & Machine company's project.

Secretary James M. Rhoades announced that Supervisor Henry W. Wright also will speak at the forum meeting Thursday night where Governor William D. Stephens will be the honored guest. Many reservations for the dinner are being made and only 250 tickets are available.

The following names were submitted for membership: Boulevard Dye Works, 402 N. Brand Blvd.

S. W. Brown Co., 463 Los Feliz road; bottled beverages. George R. Bradbury, 732 N. Maryland Ave.; builder.

Jas. L. Egan, 915 E. Palmer Ave.; plasterer.

Court Motor Co., 228 S. Brand Blvd.; Cadillac dealer.

William J. Grow, 109 S. Brand Blvd.; life insurance.

Arthur L. Holgate, 1518 N. San Fernando road; real estate.

Ed N. Radke, 1975 S. Brand Blvd.; jeweler and optician.

Frank Rhode, 320 W. Broadway; builder and real estate.

B. F. Scott, 462 W. Hawthorne street.

C. H. Thompson, 131 N. Brand Blvd.; real estate and insurance.

Party of Eight on Visit to Ranch Home

A party of eight, which included Mr. and Mrs. H. J. Chambers and daughter, Miss Myrtle Chambers, of 304 North Maryland avenue, Mrs. E. L. Berthoff of 123 South Maryland, her nephew, Spencer Wright, Mr. and Mrs. Weiser and daughter, Miss Elizabeth Weiser, motored up the Ventura boulevard Sunday, to the Gunn ranch, where they were entertained at dinner and spent a very pleasant day as guests of Mrs. Katherine Gunn and her sister.

Mrs. Gunn, who has made her home on this ranch for twenty years, is known in that vicinity as the "farmer woman" and greatly enjoys the supervision of her 100-acre farm, which is all she has retained of her original 400-acre tract. Her extensive rose garden was a revelation to those of her guests who are making their first visit to the coast, and it was a little surprising to find that her ranch home was not only modern but she is just having a fine electric range installed in her kitchen.

Mrs. Mattison Jones Speaker at Luncheon

Mrs. Mattison B. Jones of No. Highland avenue and Kenneth roads, president of the Glendale Music club, was the guest of honor and speaker today at the annual luncheon of the Pasadena Music Study club. Her talk was on musical work in general.

Mrs. Jones was also the guest of honor and speaker last week at the luncheon given by the Mattison Music club of Los Angeles, at which time she spoke on the Junior and Juvenile auxiliaries of the senior music clubs.

After the meeting Mrs. Jones was requested by the presidents of several of the music clubs which were also at the luncheon to assist in organizing these auxiliaries of their clubs, similar to the work which has been done along this line in Glendale.

PRESENT AT BANQUET

Mr. and Mrs. G. S. Cronkrite of 217 West Milford street attended a banquet at the Hotel Alexandria Saturday night given by the Retail Furniture Dealers' Association of Southern California. Mr. Cronkrite is the buyer for one of the large furniture stores of Los Angeles.

REPORTS LOSS OF \$15.50

Mrs. M. L. Fair of Montrose has reported the loss of a pocketbook containing \$15.50. She believes she dropped it while shopping at 113 North Brand boulevard.

HITS L. C. BRAND'S CAR AT CASTLE; COSTS HIM \$50

**Los Angeles Man Pays for
His 'Fun' at Estate in
Verdugo Foothills**

Lowell Balaam of Los Angeles yesterday paid \$50 for disturbing the peace at Miramar castle, L. C. Brand's palatial estate in the Verdugo foothills, about three weeks ago.

According to evidence in his trial before Justice of the Peace Owen C. Emery of Burbank township, Balaam drove into the private grounds of the Brand estate, almost ran over Mr. Brand and his gardener, who endeavored to stop him, and after swinging around the house smashed into one of Mr. Brand's motor cars which was drawn up to the side entrance of the home.

Originally the charge of reckless driving was placed against Balaam, but because the offense occurred on private property, it was reduced to disturbing the peace and the stiff fine imposed.

Another Disturbance
Twenty-five women, neighbors of Maude and Nannie Halbert of 1554 Glendendale place in the Annandale vicinity, which is included in Burbank township, came to Justice Emery's court yesterday to hear the charges against those women, who among other things are alleged to have turned the hose on Mrs. Anna Vance, a neighbor. She signed the warrant charging the Halberts with disturbing the peace.

The defendants demanded a jury trial and because of the absence of a deputy district attorney to prosecute, Justice Emery postponed the case for one week and several Glendale people will be given the opportunity of hearing a neighborhood row.

Mr. and Mrs. Head Of Denver Visit Here

Mr. and Mrs. John Head of Denver, Colo., are spending a fortnight's visit in this city as the guests of Mr. and Mrs. A. H. Feulscher of 622 North Isabel street. The two families have been friends for a number of years, having formerly been neighbors in the Colorado city. The party, including Mr. and Mrs. Head and Mr. and Mrs. Feulscher, returned to Glendale Sunday night from a three days' automobile trip to San Diego, where they visited various points of interest.

Mr. and Mrs. Head will leave for San Francisco during the latter part of this week, where they will attend the big Shriner convention to be held in the Bay City in the near future. The trip is being made via automobile.

Mrs. W. M. Crawford Department Musician

Mrs. W. M. Crawford of 800 South Central avenue, who was a delegate to the recent department convention of the G. A. R., and Women's Relief Corps at Riverside, representing Helen Jean Christie Tent No. 17 of Los Angeles, was at that time appointed department musician of the department of California and Nevada.

The officers who were elected from Southern California included Margaret Stone of Sawtelle, president; Ella Heath of Bakersfield, senior vice president; Mrs. Daugherty of Los Angeles, junior vice president; Susie Stubbfield of Los Angeles, treasurer; Lena Hess of Santa Monica, secretary. Mrs. Susie Peck of Glendale was elected as third color bearer.

Mrs. B. H. Cavanah Is Singer for Radio

Mrs. Beatrice H. Cavanah of 520 North Kenwood street was one of the artists whose voice was sent from a broadcasting station in Los Angeles last night and was enjoyed by thousands throughout the southland. The numbers given by Mrs. Cavanah were "In the Land of Magic Moonbeams" and "Boost the Glad New Day."

Mr. and Mrs. Cavanah are recent additions to the colony of musical artists in Glendale and have already won the approval of the music lovers of this city in a splendid concert given at the Glendale Music club recently.

Local Realty Board Luncheon Wednesday

The members of the Glendale Realty board will hold a luncheon tomorrow noon at the Chamber of Commerce auditorium. S. L. Roland, general manager of the Southern California Metropolitan Loan association, will give a talk on "The Principles of the Building Loan Association." There will also be another speaker. The Los Angeles realty board has invited the members of the Glendale board to attend what is termed the "Realtors' Revels," to be given Wednesday night at the Los Angeles Athletic club. It is anticipated that a large delegation from Glendale will attend.

Today's World News In Brief

(By International News Service to Glendale Evening News)

SAFE ROBBERS ESCAPE WITH \$30,000 IN LOOT, CLAIM
CHICAGO, May 16.—Cracksmen, operating across the street from the city hall, dynamited a steel vault in the offices of L. Kaufman & Co., brokers, early today, and escaped with negotiable bonds and coupons, foreign moneys and mortgage notes valued at \$30,000.

JUDGE CRAIG WILL NOT RUN FOR U. S. SENATE
LOS ANGELES, May 16.—Judge Gavin W. Craig of the court of appeals, division No. 2, recognized as one of the strongest possible contenders against Senator Hiram Johnson, today announced that he would not be a candidate for the republican nomination for United States senator.

C. OF C. HOME TO BE BUILT UNDER 'OPEN SHOP'
WASHINGTON, May 16.—The United States Chamber of Commerce threw down the gauntlet today to organized labor, announcing that the new \$2,500,000 home of the chamber now under construction here, will be built on the "open shop" plan. The announcement is tantamount to an open defiance of organized labor and came without warning to union chiefs.

DRY CHIEF SAYS PROPAGANDA USED AGAINST HIM
WASHINGTON, May 16.—Replying to congressional critics who are demanding Secretary of the Treasury Mellon remove him from office, Prohibition Commissioner Haynes today charged "mischievous and specious propaganda" was being used against him. Haynes said he was not discouraged and declared he would continue his aggressive administration of the prohibition law.

NATIONAL GUARDSMEN SEARCH FOR FIVE BANDITS

LEBANON, Mo., May 16.—Over a hundred national guardsmen, supported by twenty-five sheriffs from eleven Ozark towns, were beating the hill country at Bradshaw Flats, ten miles from here, today. In the center of an ever narrowing circle they expect to either capture or kill five bandits who yesterday seized a \$20,500 payroll of the St. Louis and San Francisco railroad at Springfield, Mo.

MORE THAN SCORE HURT WHEN STAND COLLAPSES

OKLAHOMA CITY, Okla., May 16.—Thirty-five to forty persons were injured shortly before 1 o'clock today when a photographing stand built to take pictures of a Knights Templar parade, collapsed. Francis M. Harper, assistant chief operator for the Western Union Telegraph company, was seriously injured, but it was believed the others sustained only slight injuries.

RUSS GETS \$100,000,000 FROM JEWELS OF CHURCHES

WASHINGTON, May 16.—The Russian soviet government has realized more than \$100,000,000 from the seizure of jewels and other valuables from churches throughout Russia, according to former Governor James P. Goodrich of Indiana, who conferred with officials here today before leaving again for Russia to continue his work with the American relief administration.

LLOYD GEORGE SORRY U. S. REFUSES CONFERENCE

LONDON, May 16.—The refusal of the United States to take part in the meeting at The Hague for the appointment of a commission to study the Russian problem in detail and report a series of recommendations has turned Premier Lloyd George from his accustomed optimism to pessimism, according to advices received here today from Genoa. The British premier is said to feel that the Genoa conference may be considered a partial failure and the proposed meeting at The Hague useless as a result of the decision of America to maintain her aloofness.

HELD FOR MURDER OF TWO CHICAGO POLICEMEN

CHICAGO, May 16.—Four men today are in the custody of the police and are said to have been positively identified as the slayers of Police Lieutenant Terrence Lyons and Policeman Clark. Two of the men are said to have confessed they are members of the quartet of terrorists which last Wednesday killed the two policemen, wounded another and hurled several bombs. John Miller, a bartender, is said to have been identified as the driver of the automobile in which the murderers rode. Another man under arrest, whose name is withheld, is declared to have confessed the shooting of Clark and to have outlined the "terrorist" plot, explaining how the bombers and gunmen were employed and how they operated. According to the police, the saloon of "Jerry" Moran, one of the men indicted with "Big Tim" Murphy, Fred Mader and "Con" Shea, labor leaders accused of the murder of the policemen, was the rendezvous of the labor bombers.

ASKS MORE TIME TO MAKE RUSSIAN FINAL REPLY

GENOA, May 16.—After apparently accepting in principle the allied proposal for a meeting at The Hague on June 15 for appointment of a mixed commission to study the Russian problem in detail, by taking testimony from a commission of Russian experts, George Tchitcherin, head of the Russian delegation, today suddenly asked the political sub-commission of the international economic conference for twenty-four hours in which to make final reply. The request was granted. The Russians made a number of protests. They insisted that Germany be represented at The Hague and also asked that some other capital than The Hague be selected as the meeting place. The American note rejecting the invitation of Premier Facta of the Genoa conference to participate in the meeting at The Hague was received today. The British empire delegation issued an official statement saying that their view is that the document furnishes the basis for further correspondence. The British apparently have not yet given up hope of having the United States represented at The Hague. "The last paragraph of the American note is exactly what we are aiming for," said the British official statement.

WOMEN'S VOTE MAY BE FACTOR IN ELECTION

HARRISBURG, Pa., May 16.—The Pennsylvania primary election got under way with both sides in the republican factional struggle for state control speculating as to how far the women would influence the result. In the first state-wide primary contest in which women have had the right to participate in Pennsylvania, it was generally conceded that they possessed the power collectively to overturn the old Penrose machine and to place Gifford Pinchot, personal friend and ally of the late Theodore Roosevelt, in the governor's chair. But the old-line republican leaders scouted the suggestion that enough women would rally around Pinchot to cause the defeat of Attorney General Alter, his opponent for the republican nomination for governor. They admitted that if women flocked in large numbers to the polls to vote for Pinchot that there was the possibility of a landslide which they declared was all that could prevent Alter from winning. Major David A. Reed of Pittsburgh is virtually unopposed for the republican nomination for the seat in the United States senate formerly held by the late Senator Philander Chase Knox and now held nominally by Senator William E. Crow, the republican state chairman, who is still seriously ill in a Pittsburgh hospital.

CLUB SECTION HAS RESUME OF PLAY TO CONSIDER

**Members Meet at Home of
Mrs. George Cribbs for
Enjoyable Program**

A very delightful afternoon was enjoyed yesterday at the open meeting of the Shakespeare section of the Tuesday Afternoon club, held at the home of Mrs. George Cribbs, 327 West Patterson avenue, with Mrs. F. S. Card as hostess.

After the meeting had been called to order by the curator, Mrs. A. H. Montgomery, there was an interesting resume of the play "Richard III," the study of which has just been completed by the members of the section. Several papers were read on special topics which had been assigned at a previous meeting of the section and proved to be most interesting.

The special treat for the afternoon was provided by Miss Alma Geiger, pianist, who resides in Glendale, and Mrs. E. Cavanah, contralto, who is also a recent addition to the musical colony of this city.

Miss Geiger delighted the forty or more guests and members present with her interpretation of "Valse in E" (Moszkowski) and "The Humming Bird" (Ernest Crager).

Mrs. Cavanah most pleasingly rendered "Psyche" (Paladilhe) and "The Hand of You" (Carrie Jacobs Bond), accompanied at the piano by Mrs. Calvin Whiting, through whose courtesy Mrs. Cavanah was secured for the program.

Given Vote of Thanks

A rising vote of thanks was given Mrs. Cribbs who so kindly gave the use of her spacious home for yesterday's meeting, with Mrs. F. S. Card as hostess. The meeting had originally been planned to take place at the home of Mrs. William Hunter on East Loma Vista avenue, but owing to the illness of her mother the place of meeting was changed.

Following the interesting program, most delicious refreshments of several varieties of home-made cake and ice cream were served, and a social hour enjoyed. This was followed by a short business meeting of the section members, at which time the matter of the annual section luncheon to be held June 5 was discussed.

A committee consisting of Mrs. Bert Ward, Mrs. F. S. Card, Mrs. Chester Kling and Mrs. E. Halstead, was appointed to make arrangements for the luncheon. Announcement was made at yesterday's meeting that the membership of the section is now thirty-four joining at yesterday's session.

Columbus Teachers To Present Program

The teachers of the Columbus avenue school are planning a program to be given by them at the meeting on Thursday of the Parent-Teachers association to be held at the school Thursday afternoon. Following the program there will be a business session, at which time the annual election of officers will take place. It is anticipated that a large crowd will be present, both at the program and business session, according to Mrs. C. H. Thompson, president of the association.

Dorothy June Millen Given Birthday Party

Mrs. Louise Rusk of 1251 South Maryland avenue entertained with a party Saturday afternoon in celebration of the third birthday anniversary of her granddaughter, Dorothy June Millen. The guests included Richard and Betty Schott and Virginia and Muriel Bugg of Glendale, Peggy and Fulton Lane of Los Angeles, Ruth and Marion Hildner of Pasadena, Lillian and Betty Neunehel of Long Beach and Dorothy June Millen. Decorations and refreshments were carried out in a color scheme of pink and white.

Friends On Visit to Ranch Near Lovejoy

Mr. and Mrs. Frank Pickette of Gardena avenue, accompanied by their relatives, Mr. and Mrs. D. D. Horning and daughter, Mrs. Helen Walker, of 519 East Windsor road, left Glendale early Sunday morning and motored to the ranch home of friends near Lovejoy in the vicinity of Palmdale. The trip was made easily in four hours. They found it very warm in the canyon but had a pleasant day, enjoying a picnic lunch, and returning to Glendale at a late hour in the evening.

AT REV. NORTON HOME

Mrs. Mary Hay and her two daughters, Misses Elizabeth and Ruby Hay, of Los Angeles, were recent visitors at the home of Rev. and Mrs. C. R. Norton of 801 East Wilson avenue. Both Miss Elizabeth and Miss Ruby Hay arrived in Los Angeles last week after having completed the term at the University of California at Berkeley.

Local Merchants To Observe Whole Week of Holidays

MERCHANTS of Glendale will observe a whole week of holidays.

That was decided at their association meeting yesterday.

Seymour Smith of the Glendale grocerette, chairman of the closing committee, stated that the following days had been selected:

New Year's, Washington's Birthday, Decoration Day, July Fourth, Labor Day, Thanksgiving and Christmas.

Of course, the banks will continue to observe Lincoln's birthday. Admission day, Armistice day, etc.

SECOND COLONIAL CONCERT MAY 18

**Program to Be Given at the
High School Auditorium;
Quartet to Assist**

The second colonial concert of the Madrigal club, under the direction of Mrs. Charles A. Parker, will be given Thursday night at the high school auditorium by the members of the club, assisted by the Arion string quartet. The club now has a membership of thirty-six and their work has attracted considerable attention in musical circles of Southern California. The latter part of the month they are to present a program before the members of the Burbank Music club.

The program for Thursday night includes the following sections: "The Madrigal in May" (Salter), "Serenade" (Tschakowsky), "Daffodils Are Glowing" (German), "Magic Tales" (Fox), "Little Brown Baby" (Bassett), "Sparkling Sunlight" (Arditti), with soprano solo by Mrs. Virginia Freeman and chorus by Madrigal club; "Ave Maria," soprano solo by Mrs. Harry N. McMullin, chorus by Madrigal club, with harp, violin and piano accompaniment; "Invocation to Life" (Sproule).

The members of the Arion string quartet, which will assist the club in the presentation of the program, includes Miss Neva Chibber, first violin; Miss Mamie Smith, second violin; Miss Marion Matthews, cellist; Mrs. Enona Hopkins, harpist. This will be the second colonial concert to be given by the Madrigal club, all of the members appearing in colonial costume. It will begin at 8:15 o'clock and promises to surpass the great success with which the first concert met.

Women As Guests at Federation's Banquet

Women will be the guests of honor at 6:30 o'clock tonight in the First Methodist church at the banquet of the Federated Brotherhood of Glendale.

Mrs. Mattison B. Jones of 1901 Kenneth road, president of the Glendale Music club, will address the assembly upon "Music and American Ideals in Education."

"Co-operate or Collapse" will be the subject of Dr. Edgar Fay Daugherty, pastor of the First Christian church of Los Angeles. He has acquired a reputation as a public speaker and has toured a chautauqua circuit several times.

Vocal selections will be sung by a quartet from the Central Christian church of Glendale, composed of Harry Marple of 1539 Glenwood road, Forest Cole, 1220 Justin street, Guy Mize and Gordon Mize of 412 East Harvard street.

A large attendance is expected at the banquet and 400 reservations are reported.

Elks Hold Program In Honor of Mother

It was Mothers' Night at the Glendale Elks lodge last night, and the special program included the reading of Thomas Dillon's famous poem by Jack Soule of Pasadena, who prefaced his remarks by saying that both the national senate and house adjourned last year after it was read to them.

Ed Albright sang two appropriate songs, accompanied by Herbert Henning on the piano, and the orchestra rendered several selections. It was announced that the Elks would join with the G. A. R. in memorial Sunday services, May 28, as well as the observance of Memorial Day, Tuesday following. The band will furnish music for the parade.

WATCH FOR DIPHTHERIA

All the pupils of the second grade room at the Broadway school were sent home and placed under quarantine yesterday, owing to the discovery that a carrier of diphtheria had spent a half day in the room. The quarantine to last a week when a culture will be made and if no cases are developing the pupils will again assemble for sessions. Miss Lucile Sparks is the room teacher.

PRICES LOW HERE VISITOR REVEALS TO DEALERS

**Association Listens To Talks
on 'Trade at Home' and
Other Subjects**

C. H. Burgess, secretary of the South Pasadena Chamber of Commerce, had occasion to visit Glendale Saturday evening. He shopped about a bit and found prices here lower than elsewhere in Southern California.

Yesterday noon he returned to "the fastest growing city in America" to tell the members of the Glendale Merchants' association that they were live wires, that their stores compared with Los Angeles and their prices were better.

Of course, that made a bit bit following a snappy talk by George H. Knox of the Knox Institute of Business Efficiency, who urged co-operation on the part of local merchants and outlined plans for building trade. C. J. Hatz of the "trade at home" committee announced that another meeting would be held this week for the final formulation of a week's campaign in early June.

Favor Frank Advice.
James M. Rhoades, secretary of the Chamber of Commerce, was given a vote of confidence in his advising newcomers not to overdo certain commercial lines which already were crowded. He was present and spoke of instances where such advice was accepted with animosity, although investments were made more secure by frank business appraisal.

W. C. Page was named chairman of a committee of twenty-five merchants who will make plans for a picnic some time this summer. Dr. R. V. Hogue reported it was the decision of his special committee on financing a ball team's suits to let the boys solicit the merchants who would reap the most benefit from such publicity.

Judge Owen C. Emery presided.

S. F. ASSOCIATION IN SOCIAL MEET

**Supervisor Henry W. Wright
Will Be Speaker Tonight
at Social Session**

Enthusiasm is scheduled to be the principal feature of the social tonight at 1428 South San Fernando road under the auspices of the San Fernando Boulevard association.

Supervisor Henry W. Wright of South Pasadena will be the speaker of the evening. He is expected to discuss the county's attitude toward the construction of a bridge at Park avenue connecting Glendale with Griffith Park.

Spencer Robinson, "the singing mayor," and William H. Reeves, "the talking city manager," also will contribute to the program.

Dorothy Welcome of 821 Mariopole street, who is well known on account of her ability as a professional violinist, has promised several solos. She will be accompanied by Miss Natalie Yeo of 334 El Bonita avenue, who also has won a reputation as a pianist.

Nourishing refreshments have been promised to all who attend and William Griffin of 806 South San Fernando road, president of the organization, hopes that all citizens will be present who are interested in the progress of Southern Glendale and the general welfare of all of Glendale.

VISIT AT SANTA SUSANNA

Mrs. A. A. Burchfield and daughter, Miss Margaret E. Burchfield, of 642 North Kenwood street motored to Santa Susanna Sunday, where they enjoyed the day with Mr. Burchfield. Mr. Burchfield is employed by one of the oil companies in that region.

REPORTS PET DOG LOST

Seen a stray Irish terrier lately? It belongs to Dr. W. Richardson of 400 North Kenwood street, who is anxious to recover the pet.

Big 'Toadstools' Shelter Verdugo Woodlands Folks

A big "toadstool" was the comment by a visitor at Verdugo Woodlands yesterday afternoon who saw the new, rustic, palm-covered, waiting stations along Canada boulevard for the accommodation of the Glendale & Montrose electric line passengers.

Sure enough they look like overgrown mushrooms.

GROUP LEADERS IN Y. M. C. A. WORK HOLD BANQUET

Rex Kelley, Local Secretary,
Is Paid High Tribute for
Accomplishments Here

(Continued from Page 1)
mented briefly upon the work be-
ing done.

"The fellows in the Hi-Y group have a mighty big program this year," he remarked. "It is a pleasure to work with them because they always have so much energy and pep. They are fellows who stand for something. We can see where they are exerting a mighty fine influence in high school life. We know that the work is mighty worth while."

Others Make Talks

Rev. Thomas E. Stevenson of Burbank made a humorous speech, which was punctuated with laughter.

"The Young Men's Christian Association has a unique place in the school life of our nation," he asserted. "It is doing a fine outstanding work—character building. I want to say that I am back of it. I would rather get hold of a boy than a whole carload of men."

Dr. John Anderson of 102 West California avenue was thanked for his cooperation in Y. M. C. A. programs and replied that the opportunity to serve had certainly been a pleasure to him and that the board of directors should not hesitate to call upon him at any time.

"I know something of the work of the Y. M. C. A. from its effect," said Richardson D. White, superintendent of schools. "The leisure time of the boys in Glendale is scarcely touched. I want to express by appreciation of the work that the Young Men's Christian Association is doing among the boys of Glendale. I can say that I always feel safe in any problem pertaining to the boys when there is a Y. M. C. A. boy connected with it."

Take More Satisfaction.
"As you grow older you are going to take more and more satisfaction in the work that you have done for the other fellow and particularly for the younger fellow."

Second "chapters" of everything made the rounds at the dinner which was prepared under the direction of Mrs. Rex Kelley. Many compliments were paid both to the quality of the food and the service, which was provided by Paul Edmonds, Neil Melver, Arlin McCormick and Dick Fisher.

Attention to the summer camp, which is to be held on Catalina Island, was called by Rex Kelley. Besides those already mentioned the following were present: H. L. Finlay, Carl Seitter, G. E. Murphy, Sam Tollerland, Dale Wood, Maynard Toll, P. L. Hatch, B. M. Winder, Wilbur Sell, Arthur Martin, C. D. Lusby, H. E. Salas, Bert Rolt, Ira Wiggins, Harry Marple, C. A. Dort, E. B. Thomas, C. H. Michelman and H. S. Wilcox.

"If I Could Only
Get Up That Gas
I Know I Would Feel Better"

How often have you felt that way? How often have you wished for something to give you genuine and lasting relief from gas?

Don't buy any ordinary dyspepsia tablets for temporary results. Go to a first-class drug store and ask for a bottle of genuine Baalmann's Gas Tablets. Take three tablets an hour before meals and again three after eating—then watch. Now comes a surprise. No more gas, no more smothered feeling, no difficult breathing, no bloating.

Remember, Baalmann's Gas Tablets are not only for the relief, but also for the prevention of gas. Most people with gas suffer from nervous dyspepsia—not common indigestion.

Baalmann's Gas Tablets in the famous yellow package, price one dollar, are sold by Roberts & Echols and other reliable druggists. J. Baalmann, Chemist, San Francisco.—Advertisement.

Plans for Party Celebration Sent Via Radio

Alice Paul, vice president of the National Women's Party, broadcasting news of the dedication of the new National Headquarters at Washington on May 21.

VERDUGO PAVILION EAGLE ROCK GOES THROWN OPEN STRAIGHT AHEAD TO PICNICS IN BUILDING

Business Women's Club and
P. T. A. Plan Big Events;
Woodlands Doings

The California pavilion at Hermosita drive and Ramona avenue in Verdugo Woodlands is being electrically lighted this week by the P. T. A. Newport Company and next Tuesday night the Business and Professional Women's club of Glendale will hold a meeting there. The Parent-Teacher Association also plans to hold a program there on June 12.

According to W. L. Twining, general manager of the Newport company, a general invitation is extended all organizations to use this beauty spot for picnic purposes. O. J. DeMars in charge of the tract office will arrange with Mr. Twining to accommodate any organization on dates which do not conflict.

Homes to Be Built

M. C. DeVinne has bought a beautiful homesite in the sycamores of Verdugo Woodlands on Glorietta avenue near Canada boulevard where she expects to build a bungalow home immediately.

Louise J. Waples of Hollywood has bought one of the corners at Hermosita and Ramona, near the pavilion, and will build a six-room home of old Norman architecture. It will be a showplace for the many tourists who are brought to Glendale each day.

L. H. Myers Comes Here

Lloyd H. Myers, a sales manager with the Newport company, who lectures daily at Verdugo Woodlands on the early Spanish history of this rapidly growing section of Southern California, has purchased A. H. Leighton's home on Camulos avenue and has moved in this week.

Mr. Myers married last summer and has decided to bring his bride to the foothills where "home" means just what Noah Webster says in his famous dictionary. Mr. Myers has had long experience selling real estate in this vicinity and during the war he served with the corps of intelligence police, otherwise known as the army secret service, at Washington, D. C.

Registering Voters

R. D. Estes, Verdugo Woodlands grocer at 2515 Canada boulevard, is registering the voters of that vicinity with a view of getting out a full vote at a bond election to be held at an early date. The money which may be raised in this way will be used to install gas mains, it is stated.

Initiate Two Into New Fraternity Here

Many of the people of Glendale were aroused out of their slumber last night by much wailing, howling, pistol shots and the rattle of an old ramshackle bus which conveyed two young men who have asked if they might be given a light initiation into Glendale's new fraternity, the Alpha Kappa Nu.

From 6:30 o'clock until the wee small hours of morning, the initiators gave a thrilling experience to Roy Mason, electrical expert employed by the J. A. Newton company, and Orin Barnes, student engineer at Troop college. They were roped in a trailer decorated with palm leaves and placards, which attracted considerable attention. Later a very impressive Alpha Kappa Nu oath was given and the unwilling lads were driven over a rough road into the hills north of Glendale, where they received the final touches of the initiatory work and were turned loose for the night.

Lumbermen's Picnic Brookside Saturday

Glendale Lumbermen are looking forward with anticipation to Saturday when Brookside park, Pasadena, will be the scene of the annual picnic of the Retail Lumber Dealers' association. It is reported that local mills will be closed. This includes Burbank and Eagle Rock yards.

Lumber Company Reports
Big Demand; Other Notes
From Neighbor City

Estimates for lumber in thirty-three houses being built in Eagle Rock were made in the last ten days by the Shirley Allen Lumber company of that city, which shows that the building boom is keeping its stride in the dahlia dotted community. According to Mr. Allen it is the most remarkable record of growth he has ever seen, and while their yard is being doubled almost monthly it cannot keep up with the demand. A planing mill has recently been placed in operation.

B. H. Latham, office manager of the company, is moving from Colton as soon as his children get out of school, which will be about June 1. He has purchased the property at 132 West Ridgeway drive in the foothills.

Building Unique Home.

A. J. Braach of 134 Canyon drive, Eagle Rock, is building a most unique home in the Broadway Heights subdivision which is being successfully marketed by Frank Corson of Hollywood. This house will be of stucco and frame with many novel Spanish effects, it is said.

Eagle Rock's board of trustees met last night and completed the appointment of city employees and transacted other routine business. B. B. Martsoff has been named building inspector and W. M. Bramble, the city marshal, to succeed themselves.

Fourteen Lots Sold Sunday.

The J. Harvey McCarthy Company, subdividers of Eagle Glen Heights, just east of Glendale city limits in Eagle Rock, reports that fourteen lots in the addition to their tract which was marketed Sunday, have been sold. There are only thirty-three choice sites in the old Canyon Crest property which is in the immediate vicinity of Glendale's new union high school, grammar schools and car lines.

George M. Lindsey, Glendale architect, is among the four purchasers of homesites in the exclusive Eagle Glen section, who already have begun building. Many other homes are planned.

Mrs. J. V. Griffin Is Re-elected President

At the regular meeting of the Magnolia Street Parent-Teacher association, held recently at the school, the annual election of officers took place, with Mrs. J. V. Griffin being re-elected president and the following other officers being chosen: Mrs. William Hohnholtz, vice-president; Miss Emma Saxton, treasurer; Mrs. C. Evans, secretary; Mrs. C. D. Gulick, historian.

The next regular meeting of the association will be in the nature of a basket picnic at Griffith park the first Friday in June. On May 24 the members of the association are planning to hold a silver tea at the home of Mrs. Gulick, 1247 South Central avenue, from 3 until 5 o'clock.

"Meet
Me
At
Pendroy's"

We are very grateful to the good people of Glendale and community for the patience in bearing with us on our initial business day. Our organization being new, the stock not being placed just as we would want it, and the fact that our tube system had not been completed entirely, causing some delay, causes us to thank you for the very friendly spirit in which every one helped us to make the day a grand success. The overwhelming flow of customers that greeted us far surpassed what we had expected, many times. It will now be a question of a very short time before we can get our organization into the shape that will make Pendroy's the logical place to shop in this community. Then we can give you that personal service that you should have.

SECOND FLOOR SPECIALS

NAVY SUITS

The practical color for all occasions, ever convenient and suitable. Included are the popular 3-piece suits. You will find a large assortment in sizes ranging from 16 to 44. Questions on Radio
and Their Answers
Question: I have a loose cou-
pler crystal detector outfit. At
present I am using the electric
light socket for an aerial using
one live wire six feet long from
socket and with radio wire laid
alongside and taped together both
carefully insulated from one an-
other. I get many stations quite
clearly, using 2200-ohm phones,
but the music is not as loud as
I desire. Is it possible to put in
an antenna that would be more
satisfactory? Would appreciate
advice on above as I do not care
to go to the bother and expense
unless I can get results. I enjoy
your radio column.—A. L. S.,
Glendale.
Answer: The electric light
socket aerial you are using will
not give satisfactory results using
a crystal detector this far away
from Los Angeles, and while
there may be a few radio fans
here in Glendale who are using
this type aerial with a crystal de-
tector and getting good results,
they are exceptional cases, and
some combination of circumstan-
ces that we do not understand in-
ter into it. There is no reason
but what with a good aerial you
should hear perfectly with a crys-
tal detector, and your suggestion
of a No. 14 copper wire, eighty
feet long and thirty feet high
should give you the results de-
sired. Let me suggest that if pos-
sible you point the free end of
the aerial away from Los An-
geles and have the lead-in wire
nearest to Los Angeles. Be sure
and solder the connection between
the aerial and the lead-in wire,
and any splices in the wire also
solder and tape. Do not have the
aerial parallel to any electric
light, power or telephone wires,
and use the shortest length wire
possible to make the "ground,"
which also solder, and try to
avoid any sharp turns in either
the lead-in or ground wire. With
this type aerial you should get
very good results, and if you
don't, it is not the fault of the
aerial, and it may be your piece
of crystal is getting worn out, or
some other easily corrected fault
in the receiver itself. I neglected
to mention that you can not be
too careful in properly insulating
the two ends of the aerial wire,
as it is right here that a great
deal of the strength of the signals
is lost.

Questions on Radio
and Their Answers
Question: Why is it that the
announcers at the different broad-
casting stations almost invariably
say "just a moment" and a half
a minute or so elapses before they
then announce the name of the
piece to be broadcast?—L. C.
J., Glendale.
Answer: The only reason I
know of is that it takes them this
few seconds to find out the title
of the next number that is to be
broadcast, and if they did not
say a word, it might be inferred
something was wrong with the
transmitting station, so he just
says "wait a moment" to hold
your attention until he either
picks up a new record and reads
the title or learns the name of the
next singer or speaker.

Question: Is it possible to in-
stall a crystal detector type of
wireless receiver?—R. V. N.,
Eagle Rock.
Answer: No; absolutely no
chance of receiving an electric
shock, and if anyone ever finds a
way to get enough current into a
crystal receiver to get a shock he
will have made a discovery that
will immediately link his name
with that of Edison, Marconi and
De Forest, because that would be
getting power out of the air, a
trifling little item that up to this
time has not been discovered, and
when they do, just imagine how
it is going to revolutionize things
in general.

Question: Is it possible to in-
stall a crystal detector type of
wireless receiver?—R. V. N.,
Eagle Rock.
Answer: No; absolutely no
chance of receiving an electric
shock, and if anyone ever finds a
way to get enough current into a
crystal receiver to get a shock he
will have made a discovery that
will immediately link his name
with that of Edison, Marconi and
De Forest, because that would be
getting power out of the air, a
trifling little item that up to this
time has not been discovered, and
when they do, just imagine how
it is going to revolutionize things
in general.

"Talking Movies" A Possibility

According to reports from Leeds, England, it will not be long before we shall have "talking movies." Claude H. Verity, inventor, is shown with his apparatus, which he claims is able to perfectly synchronize the action of the motion picture with vocal sounds. He has made practical demonstrations of his apparatus and makes possible the arranging of a musical score to be used in conjunction with motion pictures in perfect synchronism.

RADIO EXPLAINED

By E. H. LEWIS
INSTRUCTOR NEW YORK Y.M.C.A. RADIO SCHOOL

ANTENNA RESISTANCE (Effective Resistance)

If an antenna is charged to a very high potential (voltage) electricity frequently appears to spurt from it like water from a leaky hose. If the antenna were to be observed on a very dark night a bluish light might be seen immediately surrounding the antenna wires and streaming short distances from every sharp bend in a wire. This is called "brush discharge" or "corona" and is an actual loss of energy from an antenna system. It is an effective resistance, which has the same effect upon the antenna current as an actual resistance in the circuit. It can be reduced by reducing the voltage on the antenna. This kind of leakage is not present in a receiving antenna, but must be guarded against in a sending station.

If there is any leakage of the electric current to earth taking place over the surface or through the material of an insulating material used in the antenna system, there will be energy loss. The leakage will have the same effect as actual resistance in the antenna circuit, although it will be, of course, an effective rather than an actual ohmic resistance. In this case the loss can take place in a receiving antenna, especially in wet weather, if the insulation is not sufficiently good. The loss is much more apt to occur, however, in a transmitting antenna because in that case much bigger voltages are present.

NEW APPARATUS AND DEVICES

By RALPH BROWN
RADIO ENGINEER, CUTTING AND WASHINGTON RADIO CORP.

A NEW SHORT WAVE TUNER
The principal features of the short wave radio receiver illustrated are the so-called "basket-ball type" variometers. They are specially designed to eliminate distributed capacity and losses occasioned by solid dielectric. They do this to a surprising degree, although it is naturally not possible

Make Up List of 'Ideal Girl' Rules

BELLAIRE, Ohio—"More cloth below the knees" should mark the "Ideal Young Woman," according to one writer of a letter received by Rev. C. A. Pearce, pastor of the Christian church here.

One boy writer declared that bobbed hair, short skirts and gossamer give the modern girl an advantage over her hoopskirted, bustled, long-skirted grandmas. Qualifications of the "Ideal Young Woman," according to the opinions of the ten young men who were queried by Rev. Mr. Pearce, are:

Appearance—Neat, healthy, but not overweight.
Dress—Neat, conservative, all the colors they want, but more cloth below the knee, neatness including attractiveness, even though hair architecture and dress may be plain.

Education—Theatres and dancing in moderation and enjoy little education—Should at least include a high school course and must include practical experience at housework, particularly cooking.

Habits—Gentle, systematic, thrifty, clean, generous, churchoing, prayerful and patient.

One writer said "she must seek out-door pleasures." Another declared "she must be athletic and enjoy doing athletic sports, rowing, skating, swimming, etc. She must be sociable and enjoy little picnics, church parties and be easily entertained." Another insisted she must not let her pleasures conflict with her church.

One writer said "she must be able to make a good impression."

PREPARES FOR DEFENSE

LONDON, May 16.—General Chang Tso-Lin, who declared Manchuria an independent state, following the defeat of his army by General Wu Pei Fu, is massing troops for the defense of the country, said advisers from Peking today. At the time of his defeat, General Chang was military governor of Manchuria.

Take care of the dimes and the dollars will take care of themselves. Or, perhaps, even better advice would be for you to save the dimes and let us save the dollars for you.

Our plan enables every man and woman—every boy and girl, to start a savings account or add to the account already started.

To make it easier—to enable you to start now, we will loan you a savings bank. Come in—secure your bank.

Start today on the sure road to financial independence.

When the bank is full, bring it to our office and we will open a savings account in your name, adding interest to your accumulation.

Builders of Pendroy Store Deserving of Great Credit for Successful Achievement

Huntley & Evans' Block Finest Business Structure Yet Erected in Glendale; Roy L. Kent Co., General Contractors, Aided By Many Material Firms

WHILE much has been said about the magnificent stock of the Pendroy Department Store which opened for business this week, there is another story of achievement in the building of the beautiful block which adorns the corner of Harvard street and Brand boulevard.

J. G. Huntley and Attorney W. E. Evans were the local capitalists who financed the housing of the Pendroy store and the character of building they have erected far surpasses anything yet seen in Glendale.

Mr. Huntley was one of the original boosters for the Citizens' building, which houses the Chamber of Commerce, and with Mr. Evans he has developed the beautiful Kenneth Heights tract. They also are interested in the corner of Wilson avenue and Brand boulevard upon which the Jewel City Undertaking parlors are located, as well as other desirable business property.

Praise Due Them.

It is their firm conviction of the future growth and prosperity of Glendale which is making things possible and great praise is due them as well as the Roy L. Kent Company, general contractors, who erected the building.

The Roy L. Kent Company has been building up Glendale since 1910 and many important commissions have been given them

to successfully carry out. Mr. Kent also is a subdivider of prominence with Windsor Place and Glendale Gardens tracts now on the market. He maintains general offices at 130 South Brand boulevard.

The architecture of the Pendroy store building is a real credit to Alfred F. Priest, who has his headquarters in the Fay building, Los Angeles, but resides at 1422 North Central avenue, North Glendale. Many of Glendale's most important buildings have been planned by him and several jobs are now under way which require him to spend quite a bit of time in Glendale carefully supervising their construction.

Others Make Good.

The Fox-Woodsum Lumber Company furnished the lumber, which was no small amount, for the building, but their large yards easily accommodated that and hundreds of other orders. The Glendale Plumbing Company, of which P. J. Sheehy is manager, installed the plumbing fixtures and did the cornice and marquee work. The latter attracts considerable attention.

Weaver-old roofing tops the building and gives insurance against rainy weather injuring the valuable stock of goods. The Weaver Roofing Company is among Southern California's largest concerns in this line of endeavor and has a roof for every type of building. While they are

a Los Angeles concern, they do many of the larger jobs in Glendale.

Gordon & Harrison, with local headquarters at Wilson and Glendale avenues, furnished much of the rough material, such as sand and gravel, for the heavy construction, while the Glendale Mixed Mortar Company, of which B. O. Hagen of 1101 South Glendale avenue is manager, provided the mixed mortar lime putty. All of these institutions made good on the rush orders submitted by Contractor Kent.

Demonstrate Glendale Spirit.

Among other Glendale concerns contributing to the success of this building achievement were the Glendale Hardware Company, Cornwell & Kelly, J. A. Newton Electric Co., Glendale Paint and Paper Co., etc. Numerous Los Angeles agencies were called upon for material, including the Baker Iron Works, Otis Elevator Co., Schealy Safe Co., etc.

Scores of local workmen were employed on the job and to each and every one credit is due for their part in building of a greater Glendale. The splendid co-operation shown by everyone demonstrates the spirit which is quickly building a live city in the shadow of a metropolis.

That further efforts may meet with similar response is the wish of every person who visited the big establishment last Saturday night.

South Glendale Merchants Say Business Continues Good

TRICK FORD DOES UNUSUAL STUNTS

A. E. Trowbridge Has Auto Of Vintage of 1918 That Is Most Remarkable

"Trick Fords" are the special topic of conversation at 1411 South San Fernando Road in the establishment of the Glendale Carpet & Mattress Works.

There's a reason! A. E. Trowbridge of 204 1/2 West Laurel street says that he has a 1918 model which he has driven 20,000 miles in the last 14 months and gotten 32 miles to the gallon of gas on three different occasions. He says he can slow it down to five or six miles an hour on any of the grades around here and pick up speed and make the ascent without a bit of trouble.

"Of course," remarked Mr. Trowbridge, "I've rebuilt it completely. It's got a special carburetor, oversized pistons, new bushings and 3 1/2 wheels all around and all new tires."

Mr. Trowbridge is now spending his evenings, according to report, teaching "Lizzie" to stand on her hind legs and turn backward somersaults. It is stated that he has promised her a new gasoline coupon book as a reward.

QUICK ACTION IS SECURED BY HOOK

H. R. Owen Just Reaches Up and Down Comes Goods —Just Like That

"Get the hook!" is an old command which has a new meaning at 1502 South San Fernando road in the grocery store of H. R. Owen & Sons.

In order to pull canned goods from the high shelves a patented device is being used.

This consists of a rod about five feet long. Upon the top of it are scissor-like metal attachments which are manipulated from the handle. These are able to grab a can in a jiffy.

"Just come in and see how quickly we can jerk anything you want off the shelves," remarked H. R. Owen. "It is not trick at all to satisfy our customers."

George McLean Responsible For This Fish Yarn

When is a snipe, not a snipe? When it's a grunion.

So says George H. McLean of 1528 South San Fernando Road, proprietor of the Triangle Garage.

Mr. and Mrs. McLean and Mr. and Mrs. John Kokal of 1531 South Central avenue returned Sunday night from Rincon Point near Santa Barbara. Mr. McLean says that the grunions swim up to the beach in the twilight and that all a fisherman has to do is to grab a handful of them.

Sounds like a "snipe" story

GATEWAY PEOPLE ON SUNDAY TRIPS

Some Visit Beaches, Others on Tours of Valley in Their Cars

C. M. Meach and family of 816 South Glendale avenue spent Sunday at Santa Monica.

Mr. and Mrs. Ed Gavel and their two sons, Ed and Russell, of 1412 1/2 South San Fernando road spent Sunday in Venice.

M. C. Rasmussen and P. Spangler of the Los Feliz Auto Repair Shop, 415 West Los Feliz road, motored Sunday to Lancaster.

Mrs. E. M. Baldwin and Mrs. C. A. Richardson, proprietors of the B. and R. Millinery store at 1517 South San Fernando road, visited Sunday in Monrovia.

Mr. and Mrs. R. R. McBurney, who operate the South Glendale Bakery at 1408 South San Fernando road, were much pleased Sunday with the farming country about Van Nuys.

ANDERSONS ON VACATION

Mr. and Mrs. W. E. Anderson of 1328 South San Fernando Road are now spending a week in vacation. They were accompanied on their motor trip as far as Chico by Mrs. J. L. Wilbur of 321 Cypress street, who is a delegate to convention of the Pythian Sisters.

Mr. Anderson is proprietor of the service station on the northwest corner of San Fernando and Los Feliz Roads.

TO INVITE KING ALFONSO

LOS ANGELES, May 16.—Determined to make their annual convention in August one of international importance and the greatest in the history of the organization, the United Spanish War Veterans were making plans today to invite King Alfonso XIII of Spain to be one of the international guests of honor at the twenty-fourth annual encampment and reunion to be held in Los Angeles. His wife, formerly the Princess Ena of Battenburg, a niece of the late King Edward VII of England, will be asked to accompany him.

General Emilio Aguinaldo, leader of the insurrection forces in the Philippine Islands, already has indicated he would attend.

Furniture Finish By Expert Artisan

Special attention is being given to the refinishing of furniture at 1529 South San Fernando Road in the factory of the Russell-Pierce Furniture company.

Ralph Brill, who has had considerable experience in large furniture factories of the Middle West, has been added to the roll of expert workmen.

"We will be able to give any special finish to furniture desired," remarked Ralph Pierce. "This includes both the polychrome and two-tone finish. We are prepared also to make furniture to order and finish it according to the customer's individual tastes."

SAYS BUSINESS BETTER

"Business is much better!" exclaimed B. G. Jackson, proprietor of the Gateway garage at 1500 South San Fernando road. "Must be on account of the weather. There are more people out."

SEE NEARBY SCENERY

One of the most beautiful spots in southern California is right at our back door, according to B. V. Brasher, proprietor of the South Glendale Variety store at 1413 South San Fernando Road. The Arroyo Seco was visited Sunday by Mr. and Mrs. B. V. Brasher and Fred Fry of 1017 Melrose street and Mr. and Mrs. A. E. Brasher of 321 Magnolia avenue.

SENATOR JOHNSON BEAT

WASHINGTON, May 16.—By a vote of 31 to 28, the senate rejected an amendment by Senator Johnson, Republican of California, to fix the duty on citric acid at 9 cents a pound, an increase of three cents over the McCumber rate. The six-cent rate was then adopted without a record vote. The committee rate of 18 cents a pound on citric acid was also approved.

EASY TO KNOW PRICES

Prices on groceries should be in plain sight of customers. Anyhow, that is the belief of F. W. Franklin of Franklin & Sfarad, proprietors of the grocery department of the Gateway market.

Mr. Franklin has round price markers hung on the shelves underneath each grocery item. When the items are moved or the prices changed, the tags can be easily changed, too. This enables a customer to see at a glance the price of every item in stock without the necessity of inquiring of a clerk.

BUSINESS KEEPS COMING

"Business looks pretty good," stated Jack Harrison, proprietor of the Glendale Ark at 1508 South San Fernando road yesterday. "It keeps coming in, but like everything else one has to work for it."

NEW PLACE FOR LUNCH

Another lunch counter for southern Glendale! F. B. Root is now busy fitting one up at 446 West Los Feliz Road, which he hopes to have ready for patronage the last of this week.

The Foundations of Business Building Confidence

—Are faithful attention to Duty, Fair Dealing, Complete Preparation and Ability to do one's allotted work.

—Building on such foundations the L. G. Scovern Company has gained public confidence to an unparalleled degree.

L. E. LAMPTON, County Clerk.

By H. H. Doyle, Deputy. Harry W. Chase, Attorney for Petitioner, 1125-13

SCOUT LEADERS IN GREAT MEETING AT TUJUNGA

Yells and Games Are Staged and Then Fine Refreshments Are Served

"Without question the troop leaders' round table meeting last night at Bolton hall, Tujunga, was the most interesting and best attended of any of the sessions held thus far," this morning stated H. F. Benne, Boy Scout executive for the Verdugo Hills council.

Calvin McCray, assistant scout executive of the Los Angeles Boy Scout council, was the speaker of the occasion. He emphasized the importance of the scout tests from the boy's point of view.

A brief business session was under the direction of G. M. Insley, deputy scout commissioner of the Monte Vista district.

The new system of tests was explained by H. Benjamin Robinson of 407 North Louise street, chairman of the committee on standards and awards. Many of the leaders expressed their approval of the new plan.

They Yell and Yell.

Lively scout yells were rehearsed by the leaders who, according to report, "nearly yelled their heads off." They also played a new game called "grab the bomb," as one participant said, "like a gang of young hoodlums."

Welcome was extended to the scout leaders by members of Monte Vista Post of the American Legion, which is sponsoring the Tujunga troop of Boy Scouts.

Refreshments were served by women of the American Legion auxiliary. Among them were Mrs. Dick Smith, Mrs. Scribner, Mrs. Emma Hill, Mrs. Joe Bergen, Mrs. Edna Krome and Mrs. G. M. Insley.

The next meeting of the round table will be held June 19 at a campfire pow-wow at the Burbank week-end camp in Sunset canyon.

"We are striving for a 100 per cent attendance at this meeting," declared Mr. Insley, chief counselor of the round table.

Morvich Goes From Scene of His Win

By DAVID J. WALSH

International Billiard Player HARRISBURG, Pa., May 16.—Morvich, the horse, and Benjamin Block, the man, are speeding eastward today from Louisville, the scene of their now historic triumph in the forty-eighth running of the Kentucky derby at Churchill Downs.

Mr. Block is due to arrive in New York at an early hour, while the colt will follow in his special car some twelve hours later, but the reflections of each, if they have any at all, may bear a marked similarity.

The man will think at this time a year from now when he was little known outside of his business circles and personal associates. The contrast with his position of eminence in the turf world may strike him as being just as fantastic in its seeming unreality.

The horse will remember the early spring of 1921, when he occupied a humble stall at Jamaica, living on the bounty of a none-too-enthusiastic owner.

Morvich then was waiting for his start as a thoroughbred in consecutive races and a matter of \$178,000 in purses have been won within twelve months.

And yet the fact that Morvich has never been beaten did not keep him from changing ownership several times, the uncommon size of his knees leading many turfmen to believe that he would never do.

Just before the Saratoga meeting last August, Al Jolson, the actor, came to the owner with an offer of \$75,000 for the colt. The owner, dazzled by the price, wished to accept, even though he realized Morvich's possibilities.

Therefore, Mr. Block, who really was little more than a novice at the racing game, bought his partner, Mr. Burlew's share in Morvich, thus becoming the outright owner.

When Harry Rees of 430 West Dryden street drove his machine south on Brand boulevard late last night and collided with a car driven by Leon Rosenfeld of the Castle apartments, he had no idea that any damage was done. Not until he was taken to the police station and examined did he learn that his head was cut, his Overland auto wrecked and various other things wrong. This morning he appeared before Judge F. H. Lowe.

Jake Schaefer and Welker Cochran Play

CHICAGO, May 16.—Two youthful masters of the billiard cue will begin a fight for supremacy here tonight when Jake Schaefer, of San Francisco,

world's champion 18.2 ball line billiard player, and Welker Cochran, challenger, will play the first block of their 1,500 point match for the title. They will play 500 points tonight.

Schaefer is the favorite. Odds of 10 to 7 on Schaefer to retain his honors are being offered.

Oral Betting Valid, Rules Supreme Court

NEW ORLEANS, May 16.—The supreme court of Louisiana has upheld the practice of oral betting at the race tracks in Louisiana.

The decision automatically releases Tom Shaw, Harry Gardner, and Kemy Door, also Jack Shekai and others charged with violation of the anti-betting law.

The defendants were fined \$500 by Judge Humphrey in the district court here last November.

Jim Tracey Fights B. Brennan Tonight

By DAVID J. WALSH
Sporting Editor International News.
NEW YORK, May 16.—Jim Tracey, a large young man from Australia, who has been about the premises these many months, uttering strange sounds about a fight encounter with Jack Dempsey, is to make his first appearance in an American ring tonight. James is the heavyweight champion of Australia, and knowing something of the pugilistic tendencies of Australian champions, the promoters were intelligent enough to dismiss Dempsey from the equation at this time.

Tracey is to meet Bill Brennan tonight, and while Bill is no champion, he is a tough nut for any man's knuckle. The chances are that he will take walk with Tracey unless the latter is better than the average run of Antipodeans.

Ty Cobb may yet reach the point where he can realize that the last chuckle is the loudest, the longest and the funniest.

Ty lays claim to an outfit of possibly the most sincere hitters in baseball, but he was supposed to have an anaemic pitching staff and, therefore, no sort of a ball club to tie to. His vehement claims to the contrary brought an indulgent smile from the leaders.

**A quarter's worth of ICE
would have saved Five
Dollar's worth of Food!**

Yes, things like that happen when
you try to "get along" without ice!

They mean extra orders for food,
and sometimes—hurry calls for
the Doctor! The money spent
this way would more than pay
for Ice insurance against lost ap-
petite and ill health.

ICE is cheap. Use it regularly. It
is the only safe thing to do.

MANY VOLUMES AT BRANCH LIBRARY JUST RELEASED

Large Number of Books to
Keep Pace With Growth
of Southern Section

By CHARLES H. CUSHING
In Charge Glendale Branch Library
Keeping pace with the develop-
ment of the residential district in
the southern section of the city
and the subsequent increasing de-
mand for books, many new vol-
umes are being added to the
shelves of the branch library at
Brand boulevard and Los Feliz
Road. Those which have been
recently released for distribution
include books on radio, poetry, es-
says, fiction, non-fiction and oth-
ers which deal with vital subjects
of the day, as follows:

"Must We Fight Japan?" by
W. B. Pitkin, discusses the sub-
ject in a dispassionate way, fac-
ing the facts and looking at it
from different angles.
"Disarmament," compiled by
Mary K. Reedy, contains a selection
of articles which will be of
great value to anyone wanting to
study or debate this subject.

"Major Social Problems," by
R. M. Binder, deals with such
questions as eugenics, the wom-
en's movement, the need for in-
ternationalism, the reconstruction
of education, and others.

"An Introduction to the The-
ory of Relativity," by Bolton, pre-
sents this matter to the layman as
simply as it can be done.

Among the notable biograph-
ies contained in the new books
are:
"My Life Here and There," by
Princess Catacuzerne, the grand-
daughter of General Grant, is full
of interest, recounting as it does
the last days of her grandfather
and her life in Russia and other
parts of Europe.

"Boone of the Wilderness," is
a thrilling story of the life of that
remarkable pioneer.

Sister Wives of "Teddy"

"My Brother, Theodore Roose-
velt," by Mrs. C. Roosevelt Rob-
inson, gives that intimate glimpse
into the life of the hero that only
a sister could give.

"My Trip Abroad," by Charlie
Chaplin, will be of special in-
terest to all movie fans.

"Why Lincoln Laughed," is on
the humorous side of Lincoln's
character.

"The Autobiography of Wilmer
Atkinson," founder of "The Farm
Journal," and presented to the li-
brary by the publishers, is full of
interest.

The books on essays include
"A Traveler in Little Things," by W.
H. Hudson, which gives a charm-
ing glimpse of nature and human
nature. Some of the chapter
headings of this book includes
"Wild Flowers and Little Girls,"
"Wasps and Men" and "A Haunt
of Church Yards."

"Joan of Arc," "The English
Mail Coach" and "The Spanish
Nun," by Thomas De Quincey.

"And Even Now," by Max Beer-
bohm.

"Modern Essays," a collection,
edited by Christopher Morley.

The reader who prefers poetry
will enjoy "The Mystic Warrior,"
by James Oppenheim, which is an
autobiography in free verse.

Book of Short Poems

"Chimney Smoke," by Christo-
pher Morley, is a book of short
poems, quaintly illustrated by
Fogarty.

"Noah and Jona, an' Cap'n John
Smith," is a book of very humor-
ous short poems by Don Marquis.

In response to the great in-
terest just now in radio the follow-
ing books have been procured:

"The A. B. C. of Radio," by
Kasemfert, "Experimental Wire-
less Stations," by Edelman; "Ra-
dio for the Beginner," by Fowler;
"Wireless Telegraphy and Tele-
phony," by Morgan, and "The
Home Radio," by Verrill.

Other non-fiction books include:
"The Great Society," by Wallas.
A study in social psychology.

"Film Folk," by Warner.
"The New World," by Dr. Bow-
man, director of the American
Geographical Society. This book
presents the new political and
diplomatic situations in Europe
since the world war.

"American Writers of the Pres-
ent Day," by Professor Rankin of
Michigan university.

"Jesus in the Experience of
Men," by Glover. "Finding Your
Job," by Shilde. "Half Hours," a
book of plays by Barrie. "Califor-
nia Coast Trails," by Chase. "Mas-
terful Personality," by Marden.

"Westward Hoboes," by Dixon,
autobiography across the continent.

"Country Life Book of Building
and Decoration," with illustra-
tions of many beautiful homes and
furniture of the early colonial
periods. "Tales of Fishes," by
Zane Grey. "Lost Ships and
Lonely Seas," by Paine, describ-
ing the adventures and wrecks of
some historic vessels. "Spending
the Family Income," by Donham.

"Education," by Herbert Spencer.
"Fundamental Concepts of
Psychology," by Brill. "The
Literary Digest History of the
World War," edited by Halsey, in
ten volumes. "History of the
World War," by Simonds, in five
volumes. "The United States Life
Tables," published by Bureau of
the Census.

Found in Fiction

The new fiction books include
a set of Mrs. Rinehart's books,
among which are "Twenty-Three
and a Half Hours' Leave," "Love
Stories," "Affinities," "Sight Un-
seen" and "The Confession." "The
Lost World" and "The Valley of
Fear," by Conan Doyle. "The
Princess of Mars," "The God of
Mars," "The War Lord of Mars,"
and "Thuvia, Maid of Mars," by
Edgar R. Burroughs. "His Red
Lane," by Holman Day. "Whis-
pers," by Dodge. "Three Soldiers,"
by Dos Passos. "The Promises of
Alice," by Margaret Deland. "The
Feast of Lanterns," by Mlin.

"Moon-Calf," by Floyd Dell. "The
Ordeal of Richard Fernald," by

MORELAND PLANT PRODUCTION HITS HIGH RECORD

Completed Trucks Turned
Out Every Other Hour
by Burbank Factory

Production records at the More-
land Motor Truck factory, just
across the Glendale line in Bur-
bank, are being smashed in an ef-
fort to keep pace with the de-
mands made by increasing busi-
ness on the Pacific coast.

Since the beginning of the work
on the 1922 models the heads of
the manufacturing end have been
bending their energies to con-
stantly increasing the number of
completed trucks rolling out of
the plant daily in an effort to keep
caught up with the sales. The re-
sult has been a gratifying speed-
ing up all along the line with the
announcement of new production
records coming steadily along.

Last week's record was not only
a record for the season but was
the biggest hung up as regular
production since the inception of
the company eleven years ago.
With the entire plant working at
top speed on an eight-hour shift
27 completed trucks rolled out of
the assembly line, or at the rate of a
completed truck every 1 hour and
46 minutes.

Tire Company Reorganizes

Good news at last awaits the
stockholders of the U. S. Compres-
sion Inner Tube company, and not
alone the stockholders but all of
Burbank and vicinity.

At the annual meeting of the
stockholders held last Monday in
Tulsa, a new board of directors
was elected and R. O. Church of
Burbank was one of them. In ad-
dition to the election of Mr.
Church, F. E. Collins of Long
Beach, a heavy stockholder and
one who has worked hard for the
reorganization and rehabilitation
of the company was elected a di-
rector. It was quite largely
through his untiring efforts that
the reorganization was consum-
mated. He secured a great many
proxies here in Burbank and
in Kittanning, Pennsylvania, and
through them was able to accom-
plish a result which it is believed
will terminate in a great improve-
ment in management and the
opening of the Burbank building
which has stood unoccupied.

Union Memorial Services

At a meeting of the ministers
of Burbank, it was decided to hold
union Memorial Day services Sun-
day night, May 28, at the auditori-
um of the grammar school. Rev.
Valdo D. Parker of the Episcopal
church will deliver the sermon.

Rancher Turns Thug

and Loses His Life

TUCSON, Ariz., May 16.—The
bandit who was killed when an
attempt was made to hold up the
Golden State limited train near
here was identified as Tom Du-
gat, prominent local rancher. The
identification was made by the
dead man's wife and daughter.
They said he had acted strangely
for several days.

It was also learned by officials
that at least six members made
up the bandit party and two oth-
ers than Dugat were injured. In-
formation in the hands of search-
ing parties is that the bandits
doubled back to Tucson by auto-
mobile from the scene of the at-
tempted holdup before news of it
had reached here.

TWO DEAD; JEALOUSY

SAN DIEGO, May 16.—The
bodies of two elderly men lie in
an undertaking establishment here
today, the result of a murder and
suicide due to the jealousy of a
husband for a 70-year-old wife.
John Mollock, 62, rushed to a
priest's house, confessed the crime,
telephoned to the police the loca-
tion of his victim's body, then
rushed back to the scene of the
shooting and blew out his own
brains before the police arrived.

The murdered man was John Dix-
on, 57, of Imperial valley. Neigh-
bors said Mollock was jealous of
Dixon's wife and that they had
prophesied violence for some time.

BANK CASHIER ROBBED

FREMONT, Mo., May 16.—Two
robbers held up Cashier F. L.
Fogel of the Fremont state bank
shortly after the bank opened for
business and escaped with \$2,000
—all the counter cash. Sheriff
Oliver immediately formed a vol-
unteer posse and started after the
men who escaped on foot.

Meredith. "Best Short Stories of
1921," edited by O'Brien. "Saint
Teresa," by Harrison. "Lucretia
Lombard," by Kathleen Norris.

"The Life of the Party," "Local
Color," "The Escape of Mr.
Trimm" and "Back Home," by
Cobb. "The Master of Man," by
Hall Caine.

New books in the juvenile de-
partment include "Dave Porter
Under Fire" and "Dave Porter's
War Honors," by Stratmeyer.

"New Plays from Old Tales," by
Harriet S. Wright. "When I Was
a Boy in Norway," by Hall. "The
Big Tent," a circus story by Mrs.
Canfield. "The Star Child and
Other Plays," by Benton. "The
Boy With the U. S. Fisheries,"
and "The Boy With the U. S. Sur-
vey," by Rolt-Wheeler. "The Boy
Scouts in a Trapper's Camp," and
"The Boy Scouts in a Wagoner's
Camp," by Burgess. "The Auto-
biography of a Tame Coyote," by
Madge Wagner. "Wawona," an
Indian story, by Ella S. Mighels,
and the latest edition of "The Of-
ficial Handbook of the Boy
Scouts of America."

COMMENT THAT'S ALL

Beauty Lies Near Home
Pays to 'Trade at Home'
Disabled Veterans Meeting
Defining 'What Is Zoning?'

By Gil A. Cowan

IF YOU WANT to enjoy your-
self some sunny afternoon when
a motor in one of the most pic-
turesque spots of Southern Cali-
fornia is to be desired, go out
Lankershim way and then follow
the Hollywood foothills back
through Griffith park to Los
Feliz road.

In the first place you will get
lost an even half dozen times
among the hundreds of Universal
City sets which stand like deserted
villages except when they are in
use. Everything from Moorish
castles to adobe villages and In-
dian teepees are to be seen.

And when you get into the
groves of live oaks and other
trees that make Griffith park one
great picnic ground you will find
in and out around the city's farm,
the golf greens, the zoo, the play-
grounds and get back on the road
to Glendale that you want.

In fifteen miles thus traversed
there is more of interest likely
than in any other drive of similar
distance in the United States. The
river flows serenely at the foot of
the embankment where the road
swings out around a higher hill,
the mountains shade you from the
sun and the road itself is excep-
tionally easy riding considering it
is carved out of the native "dobe
and rock."

Speaking of "Trade at Home,"
the Glendale Merchants' associa-
tion yesterday heard how inno-
cent buyers of merchandise are
lured to Los Angeles by crafty
methods. A leader, such as a
dress, is sold for \$5 less than else-
where with the one purpose of at-
tracting hundreds of people. Then
clever salesmen or saleswomen
steer the customers around the
stores until they have sold them
all the merchandise they could
stand and an investigation shows they
probably have paid more than if
they had bought at home.

This week the Disabled Veter-
ans of the World War are holding
a convention in San Diego. Sev-
eral hundred delegates, each a
hero, are in attendance.

The organization was formed
two years ago under California
charter and now has a member-
ship of 5000 throughout the coun-
try. It is the one group that
stands distinctive because it rep-
resents real service in the field of
battle.

Americans are glad that in
numbers this organization is
small, for each member is a con-
dormer of the terrible toll of
war takes. All glory to those
who went through the hell of it
all and still live.

Almost weekly there come be-
fore the city council requests for
changes in the zoning ordinance.
permission for this and that, so
it is timely that a statement on
"What Is Zoning?" prepared by
the advisory committee on zon-
ing of the division of Building and
Planning, Department of Com-
merce, be reprinted.

"Zoning is the application of
common-sense and fairness to the
public regulations governing the
use of private real estate. It is
a painstaking, honest effort to
provide each district or neigh-
borhood, as nearly as practicable,
with such protection and just such
liberty as are sensible in that par-
ticular district. It avoids the er-
ror of trying to apply exactly the
same building regulations to every
part of a city or town regardless
of whether it is a suburban resi-
dence section, or a factory district,
or a business and financial center.
It fosters civic spirit by creating
confidence in the justice and sta-
bility of the protection afforded.

"Zoning gives everyone who
lives or does business in a com-
munity a chance for the reason-
able enjoyment of his rights. At
the same time it would protect
him from unreasonable injury by
neighbors who would seek private
gain at his expense."

"Zoning regulations differ in
different districts according to the
determined uses of the land for
residence, business, or manufac-
turing, and according to the ad-
visable heights and ground areas.
"But these different regulations
are the same for all districts of
the same type." They treat all
men alike."

Two thoughts from the tele-
graphic report which do not set
well with a red-blooded American
in California.

While Senator Hiram Johnson
was trying to obtain a tariff of
60 cents per gallon on olive oil
in order that the industry which
employs American workmen might
live, Senator Walsh of Massachu-
setts, pronounced it "extortion-
ate."

Maybe he was afraid that some
of his Italian friends in the New
England factories would vote
against him if a California work-
man were given the opportunity
to live decently. And now this.

D. Getromile, proprietor of the
Miramar Inn at Westport, Conn.,
another resident of the United
States, paid \$825 for the bronze
bust of the ex-kaiser which was
taken from the former German
liner Vaterland and sold at auc-
tion yesterday.

Somebody ought to bust this
alien attitude on the part of inn
keepers and senators.

America for Americans!

ONE DEAD, THREE HURT

SEATTLE, May 16.—E. L.
Collins, 29, is dead, and three
others seriously injured, one prob-
ably fatally, as the result of an
automobile in which they were rid-
ing crashing through a bridge
railing to a twenty-foot plunge
south of this city. Glaring head-
lights are believed to have caused
Collins to lose control of his
machine.

PLAN ROUTE INTO ANTELOPE VALLEY VIA TUJUNGA

Saving 56 Miles Suggested;
Eagle Rock May Adopt
'Magic Circle' Scheme

Plans for opening up a thor-
oughfare through Tujunga can-
yon to Antelope Valley that will
cut off fifty-six miles from the
present route between that place
and Los Angeles are behind a peti-
tion which is being circulated in
Tujunga and elsewhere asking the
county supervisors to take steps
for opening and widening the road
into the canyon without delay.
George Barnes of Los Angeles is
one of the originators of the plan,
which is reported to have the
backing of the Automobile Club of
Southern California. Engineers
sent out by the club have been
over the route to pass on its prac-
ticability.

For Eagle Rock Traffic

A "magic circle" around the
flagpole at Colorado boulevard
and Central avenue in Eagle Rock
is proposed to solve a serious
traffic problem confronting that
city. The city trustees have the
matter under consideration as a
safety zone for pedestrians seems
necessary and there is no way to
obtain it otherwise. The "magic
circle" for traffic is working suc-
cessfully in Los Angeles, it is
said.

Tujungan Makes Toys

Thomas R. Davies of Tujunga
is using his spare time in a very
interesting way. To be explicit
he is manufacturing toys. One
of these toys is a wonderful min-
iature motor boat which runs by
electricity on a track which is sub-
merged in water. The track and
wheels do not show and the little
boat looks as if it were truly
plowing through real ocean waves.
Even more fascinating are the
toy trolley cars. These are exact
reproductions of the Pacific
Electric trains and are complete
down to even the head lights and
interior illumination. These cars
will weigh 70 pounds each and are
run by two motors attached to
the wheel trucks with the over-
head trolley and wire.

Realty Board Meeting

Today, at 6 p. m., at the Legion
hall is the time and place of the
dinner to be given by the Tu-
junga Realty Board in honor of
C. C. C. Tatum, president of the
state realty board, and Glenn D.
William, managing director.
The ladies' aid society of the
Community church will serve the
dinner, and business men and
women and property owners of
Tujunga as well as real estate
dealers are invited to attend.

Warns Radio Fans

R. E. Cunningham, who is in
charge of the Edison distribution
lines, warns radio fans of the
danger of attaching aerials to
electric light poles as is being
done in a great many instances.
He says that the practice is ex-
tremely hazardous and may lead
to serious injury or death if the
aerials are brought too close to
the high voltage power wires.

Show at Eagle Rock

About the biggest event in the
entertainment line in Eagle Rock
will be given Friday evening, May
19, when the Twentieth Century
club will give an old-time min-
iature show. Of course everybody
will be there.

Returning to States

H. Darwin Kirschman, son of
A. D. Kirschman of Tujunga, who
has been teaching for two years
in the schools of Honolulu, sailed
Sunday for the United States and
will arrive on June 2. He writes
that he hopes to spend his vaca-
tion period in Yosemite national
park after a visit with friends in
Glendale and Tujunga.

Mothers Are Honored

Mothers' Day exercises were
held in the American legion hall
at Tujunga Sunday afternoon
with a large program. All of the
legionnaires of the valley were in
attendance. White carnations
were given those present. The
event was as unique as enjoyable.
